

ITC 2023

The International TRIZ Conference ITC 2023

August 30 – September 2, 2023, Graz, Austria

MATRIZ Official and Graz University of Technology

Attention, all TRIZ enthusiasts and innovators!

Get ready for the ultimate learning experience at the [International TRIZ Conference – ITC 2023](#), taking place in the beautiful city of Graz, Austria.

Our lineup of world-class experts will guide you through the latest advancements in TRIZ with engaging and interactive tutorials. But that's just the start. Our "Solve It on the Spot" session is unlike anything you've experienced before – participants will have the opportunity to present a real-world challenge they're facing and solve it under the guidance from our expert panel.

Be inspired by thought-provoking case studies from industry, showcasing game-changing solutions. And when you need a break from the action, take a stroll through the picturesque streets of Graz – a city known for its cultural richness.

The proceedings of this conference will be published with ISBN and ISSN by Graz University of Technology, providing you with a valuable resource that you can reference for years to come. Don't miss out on this opportunity to expand your network, grow your skills, and be part of a community shaping the future of technology. Register now!
